

EANS-Adhoc: SW Umwelttechnik Stoiser & Wolschner AG / SW Umwelttechnik extends subscription period for the SW bond by request of investors

ad-hoc disclosure transmitted by euro adhoc with the aim of a Europe-wide distribution. The issuer is solely responsible for the content of this announcement.

- * 10 m bond volume
- * Issuing proceeds support the further expansion into the growth market Romania
- * Tenure of eight years, fixed interest rate of 4.625 % plus a bonus of up to 7.497 %

The listed family company SW Umwelttechnik is issuing a bond with a total volume of EUR 10 m divided into EUR 50,000 shares. By request of numerous investors the subscription period will be extended to 15 November 2010.

The Alizee Bank AG was chosen as lead manager and will mainly be approaching institutional investors. The bond has a fixed interest rate of 4.625 % and a variable coupon that can increase to 7.497 % depending on the profit or loss on ordinary activities. The tenure is fixed for eight years.

The bond is exempted from any prospectus obligations according to § 17b, passage KMP as well as according to § 3, passage 1 Z 9 KMG. A greenshoe option or rather stock-up of the bond is possible. There will be no public offering of the bond.

The proceeds of the bond will provide a wider basis for the company's financing options and is meant to support the expansion into the growth market Romania. The investors can profit from the development of infrastructure in Eastern Europe by taking a share in the SW Umwelttechnik bond and can ensure sustainable success of the company.
