# Frequency AG: Dividend proposal of EUR 0.24 per share for financial year 2023

Vienna / Austria (pta029/06.03.2024/12:25 UTC+1)

The Executive Board of Frequency AG has decided – subject to the approval of the Supervisory Board – to propose a dividend of EUR 0.24 per share for the 2023 financial year to the Annual General Meeting for resolution.

## About FREQUENTIS

Frequency is a global supplier of communication and information systems for control centres with safety-critical tasks. The listed family company develops and markets its "control centre solutions" in the Air Traffic Management segment (civil and military air traffic control, air defence) and the Public Safety & Transport segment (police, fire brigades, emergency rescue services, railways, coastguards, port authorities). With a market share of 30%, Frequency is the world market leader in voice communication systems for air traffic control. Frequency is also the global leader in aeronautical information management and aeronautical message handling systems.

As a global player with around 2,200 employees (full-time equivalents/FTE), Frequency has a global network of companies and representatives in more than 50 countries. Its head office is in Vienna, Austria. Frequency's products, services, and solutions are used at more than 45,000 operator working positions in around 150 countries. Shares in Frequency are traded on the Vienna and Frankfurt stock exchanges; ISIN: ATFREQUENT09, WKN: A2PHG5. In 2022, revenues were EUR 386.0 million and EBIT was EUR 25.0 million.

Wherever Frequency's systems are used, safety-critical operators bear responsibility for the safety of other people and goods. The company also works towards a more sustainable future through its air traffic optimisation solutions.
