February 20, 2024 - Wolford AG announced that sales in the amount of EUR 126.9m was achieved in the fiscal year 2023. This corresponds to an increase of +1% compared to the previous fiscal year 2022.

The Asia-Pacific (APAC) region reported growth of 32%, while North America experienced 2% growth at a constant 2023 exchange rate. However, North America reported a slight decrease when considering the current exchange rate, and the EMEA region experienced a slight decrease due to macroeconomic headwinds.

Wholesale revenue increased by +12%. This is due to the alignment of the products by artistic director Nao Takekoshi and the acquisition of new wholesale customers.

The reported figures are unaudited.
