New responsibilities within Wolftank Group's Executive Board decided

Wolftank Group AG (ISIN: AT0000A25NJ6), a leading provider of environmental and energy solutions, redistributes the roles within its Executive Board. After 10 years, Peter Werth's term on the Executive Board will end as planned on 31 December 2024. He is handing over operational responsibility to the proven management team, which has performed excellently in recent years and ensures both a high level of expertise and the necessary continuity to execute the strategic plans. Peter Werth, as founding shareholder and Chairman of the Strategy Advisory Board, will continue to focus on the strategic development of the Group.

At its meeting today, the Supervisory Board of Wolftank Group therefore decided on the new allocation of responsibilities within the Executive Board: Simon Reckla, member of the Executive Board, will take over as CEO of Wolftank Group on 1 January 2025, while CFO Christian Pukljak will remain responsible for the Group's finances. Reckla was appointed to the Executive Board in July 2023. He joined Wolftank Group in October 2022 after international assignments and various management positions at crane manufacturer Palfinger.
